

FOUNDATION FOR TEACHING ECONOMICS

MEMORANDUM

TO: Program Applicant
Institute on the Environment and the Economy

FROM: Donald Fell, Institute Director

RE: Application Procedure

Thank you for your interest in the Institute on the Environment and the Economy. Per your request, I am forwarding you an application for the specific Institute site you requested.

You will need to do the following to apply for the Institute:

- download, complete and mail in the application as noted. (**Your signature is required on three separate pages of the application materials.**)
- enclose your \$50 registration fee (refundable if written cancellation is received 30 days prior to program start date) check **payable to the Foundation for Teaching Economics.**

(Note: Do not make the check payable to either a Council or Center.)

Applicants are taken on a first come basis, so I encourage you to forward your completed materials and check as soon as possible (\$50 payable to the Foundation for Teaching Economics). Each Institute usually fills completely, so the earlier you get your materials in, the better chance you have of being accepted.

For your information, there is also a program schedule accompanying the application. Please note the start time for the first day of the program, and plan on being at the program site at least 30 minutes prior to the formal start time. In order to receive graduate credit, participants must attend all scheduled sessions, without exception.

Should you have questions, you may contact me at: don.fell@verizon.net

**INSTITUTE ON THE ENVIRONMENT
AND THE ECONOMY**
-----a program of the Foundation for Teaching Economics

PROGRAM SYNOPSIS

The Environment and The Economy is a 4 - day residential program for teachers designed to help integrate an understanding of environmental issues into classroom discussion. Focus of the program is to present an understanding of how market forces may be used to solve environmental issues.

The program is structured as a business conference and incorporates a blend of learning activities including hands-on classroom activities, lectures, simulations and a one-day field trip. All materials and activities have been developed specifically for this program.

Key topics covered in the program include:

- § *Tragedy of the Commons*
- § *Wealth creation*
- § *Endangered species*
- § *Cap and trade*
- § *Land use*
- § *Air and water quality*

Key concepts covered in the program include:

- § *Marginal decision-making*
- § *Externalities*
- § *Scarcity*
- § *Pricing*
- § *Opportunity cost*
- § *Incentives*

Optional: *The Institute may be taken for 2 graduate hours credit in economics from University of Colorado, Colorado Springs.*

Total cost for two graduate credit hours and service fee is \$204.

Application for credit must be done on line at

<http://www.uccs.edu/~lases/programs-/FTE-Credit-Program-for-Economics-Teachers.html>

Upon completion of application, assignment to receive credit will be provided. Applicants have one month to complete the assignment.
